

# Impact Report 2024

## A MESSAGE FROM OUR FOUNDER

As we reflect on 2024, a year filled with extraordinary achievements, we are honored to share some of the incredible progress Gatos Borincoon, Inc., has made. Thanks to the unwavering support of the community of followers, donors and adopters, Gatos Borincoon, Inc., has navigated a year of remarkable impact, growth, and accomplishments.

In 2024, we've established a team of rescuers and volunteers to launch our TNVR campaigns where we engaged the communities we serve. We have had the honor of working with 3 community leaders through our Executive Leadership, who have expressed overwhelming satisfaction with the program. Gatos Borincoon Inc., in collaboration with many inspiring partners, have reached hundreds of followers and rescue leaders, sparking important conversations and providing valuable insights on the most pressing issues of cat overpopulation in the south east of Puerto Rico. One of the most monumental highlights of 2024 was reaching the 20 adoption mark in just 4 months of inception as organization. This milestone is a testament to the trust and confidence placed in Gatos Borincoon, Inc. from adopters that were moved by our mission.

Our work in 2024 was inspired by the relentlessness of cat and dogs rescuers in Puerto Rico, that continue to make meaningful changes in their communities. As we look to the future, we are energized by the possibilities. We would like to take this opportunity to express our deepest gratitude to our followers, whose support of Gatos Borincoon, Inc., is crucial in maintaining the momentum we've built. Together, we can make our mission a reality, we can continue to drive meaningful change and shape the future of cat population in Puerto Rico. Together, for the love of cats!
